

# BYCC Young Person Animation Team 2014

## DANCERS and ACTORS/ ACTRESSES

### Information Sheet

The BYCC committee is looking for talented young people who can speak well, think on their feet, animate the crowd, and help make the BYCC a weekend that is “for young people, by young people.” We are looking to put together a team of about 8-10 students who will lead prayer, make announcements, do skits, and whatever else we can come up with!

This team isn't for just anyone! We are looking for energetic young people from across the archdiocese with some theater, public speaking background, or the ability to lead song or cantor. This group will speak in front of 600 of their peers, so any shyness must be left back in Baltimore. We are asking for youth ministers, campus ministers, and any other group leaders to nominate up to two young people from your group for this team. The attached nomination form must be completed and mailed, emailed, dropped off, or faxed to the Division of Youth and Young Adult Ministry NO LATER THAN September 22, 2014.

This group should be a diverse group of young people from across the archdiocese. We will choose this team based on the nomination forms, so be detailed! Only responsible young people should be nominated as this is going to be a commitment on their part.

There will be one practice before BYCC. We will announce the meeting, update the forms, and announce the change once made.

Also, once the conference begins this group will have some limited rehearsals throughout the weekend and a few other obligations during the conference.

**ALL NOMINATION FORMS ARE DUE NO LATER THAN SEPT. 22nd.  
AND YOUNG PEOPLE WILL BE NOTIFIED BY OCT. 1st.**
