300 REAL ESTATE TRANSACTIONS INVOLVING BUILDINGS USED OR INTENDED TO BE USED AS A SCHOOL

Under canon law, the sale or lease of a building used or intended to be used as a school is considered an act of extraordinary administration and, as such, requires approval of the Archbishop. This policy is intended to ensure that the sale or lease of a building formerly or currently used or intended to be used in the future as a school and owned by a parish or the Archdiocese will not impede the success of any Catholic School.
