

800 Investment Management

800 INVESTMENT MANAGEMENT

Archdiocesan parishes and schools are entrusted by parishioners and families to be good stewards of gifts and tuition. A vibrant parish community will save and invest proceeds in excess of ongoing operations for future uses and needs of the parish.

Funds for immediate operating needs are generally held in a local FDIC insured bank. However, funds collected for future uses shall be safeguarded by following the Archdiocesan Investment Management Policy and Procedures that follow.
