HIGH SCHOOL PLACEMENT TEST (HSPT)

DECEMBER 2 & DECEMBER 9

WHAT IS THE HSPT?

The HSPT is a standardized, timed test, required of every 8th grade student applying to attend a Catholic high school in the Archdiocese of Baltimore. It contains five sections. The first two sections measure verbal and quantitative ability. The next three sections include questions related to reading comprehension, mathematics, and the components of written language. The HSPT questions are designed to test students at their curriculum level.

HOW DOES THE REGISTRATION PROCESS WORK?

Students are encouraged to register for the HSPT via the online registration portal, located at www.archbalt.org, under the “Catholic Schools” tab. Links to the registration portal may also be found on each high school’s website. After registering online, students receive a confirmation number that should be brought to the testing site on the day of the test. If you cannot access the online registration portal, please call the testing site directly to register. Students may walk in on testing day without registering, assuming the testing site has enough proctors available to accommodate all walk-ins. Please note: students may not walk in and request any testing accommodations. If this occurs, the student will either test without accommodations, or be asked to register for another test date, if available.

HOW DO I CHANGE THE RANKING OF MY HIGH SCHOOL CHOICES?

The online registration for the HSPT opens on September 12, 2017. We recognize that students spend the next few months attending open houses and shadow days at various high schools. During these events, students may change their first, second, and third choice schools. Students can use their email addresses and confirmation numbers to re-enter the online registration portal and edit preferences up until two days before the testing date.

WHAT IS NEEDED ON TESTING DAY?

For those who have registered and paid with a credit card online, bring your confirmation code and two number 2 pencils. All other students must bring \$40 in cash, along with all necessary personal information to register. Remember, walk-ins may not be able to test if space is limited.

WHEN WILL SCORES BE SENT?

Score reports are electronically generated, and when registering, parents can opt to receive either an electronic copy or a printed copy. Parents can expect test results within a month of the test date, but electronic scores may arrive sooner. The high schools chosen by the 8th grader to receive scores obtain reports directly from Scholastic Testing Service.

ARE ACCOMMODATIONS AVAILABLE FOR STUDENTS WITH A SERVICE PLAN, IEP, OR A RECENT EVALUATION?

Yes, every testing site offers extended time to students with a documented need. Other accommodations vary according to the testing site. When students register for the HSPT, they are asked whether extra accommodations are needed. If indicated yes, log back into the registration portal to upload documentation. All documentation of needed accommodations should date no later than the 5th grade year and must be submitted no later than November 17, 2017.

HIGH SCHOOL FAIRS

Fairs begin at 6:30pm with an open portion where schools meet and greet with families.

School representatives then move to classrooms to meet with families in small groups. The final breakout session concludes at 8:35pm.

Registration is not required. Attendees may walk in!

Students of all ages enrolled in any school are welcome to attend.

AFFORDABILITY

The Archdiocese of Baltimore understands and appreciates the financial commitment and sacrifice families make in sending their children to a Catholic high school. Although paying for education is first and foremost the responsibility of a family, each school, along with the Archdiocese, devotes significant funds every year to grant and aid programs. This allows our school communities to attract students that otherwise would not be able to attend a Catholic high school.

WHAT IS TUITION ASSISTANCE?

Tuition assistance is a need-based analysis of the cost of education vs. a family's ability to pay. These awards do not need to be repaid. Each high school offers its own tuition assistance for families; contact the Admissions Office at your school of choice for more information.

Any student interested in attending a Catholic high school may apply for grants and aid from the Archdiocese of Baltimore. Archdiocesan tuition assistance generally comes from two funding sources: the Partners in Excellence Program (available to applicants at select Archdiocesan high schools) and the Archdiocese of Baltimore School Fund (available to applicants at Archdiocesan and independent high schools). To help the Archdiocese objectively assess what a family is able to contribute to education expenses, an independent third party (FACTS) is used. The money awarded by the Archdiocese is distributed under the following priorities:

1. Current recipients of grants and aid
2. Financial need of a family

Individual high schools distribute their grants and aid using various services such as FACTS, School & Student Services (SSS), and Private School Aid Service (PSAS). If applying to a school that also uses FACTS, you only need to apply once to be considered for aid from the school and the Archdiocese. Schools that do not use FACTS require a separate application for their tuition assistance distribution.

More information about FACTS can be found at www.factsmgt.com. Catholic parishes throughout the Archdiocese of Baltimore also provide tuition assistance, with many using FACTS to process applications. Please reach out to your parish for more information on the assistance they can offer.

For additional information on tuition assistance, contact any of our high school admissions offices, or Ashley Conley, Director of School Finance, at 410-547-5355 or aconley@archbalt.org.

GOVERNANCE

All Catholic high schools in the Archdiocese of Baltimore operate under two governance models:

ARCHDIOCESAN SCHOOLS

Governing responsibility rests with the Archdiocese. Whether led on the local level by a canonical representative, school board, president, and/or principal, these schools are served by the Archdiocese in terms of educational and administrative resources.

INDEPENDENT CATHOLIC SCHOOLS

Privately owned and incorporated, these schools follow certain Archdiocesan precepts to retain their "Catholic" status.

CATHOLIC SCHOOLS RISE ABOVE
