### **Policy:**

Employees shall comply with the building rules and regulations regarding use of the Catholic Center, available here.

## **700.1 DETERMINATION AND ADMINISTRATION OF SALARY PROGRAM**

### **Policy:**

The Moderator of the Curiae and Executive Directors are responsible for determining Central Services' salary program, while Human Resources is responsible for administering the salary program.

### **Procedure:**

A) All Central Services positions are classified by salary "grade" within a salary "schedule."

B) The salary schedule will be reviewed every 2 years and adjusted when appropriate to maintain a competitive position relative to other not-for-profit employers in the local market.

C) Positions receive grades in the salary schedule based on such factors as the experience, education, training, skills, and decision making required for the position.

D) Each salary grade is assigned a salary range that includes a minimum, midpoint, and maximum salary. Employees are assigned a specific salary within this grade range based on performance and length of service. All

employees in a salary grade will receive at least the salary minimum.

E) Human Resources will prepare and distribute an annual compensation summary for each employee.

## **700.2 SALARY REVIEW**

### **Policy:**

Salaries will be reviewed on a periodic basis or when an employee receives a promotion. As described above, the Moderator of the Curiae and Executive Directors will review the salary schedule every two years and determine if adjustments to the schedule should occur.

## **700.3 BONUS PAYMENTS**

### **Policy:**

A bonus may be awarded periodically to recognize performance demonstrated to be significantly above and beyond the expectations and/or responsibilities of a position.

### **Procedure:**

A) Bonuses are approved in the sole discretion of the Executive Director of the applicable Division in consultation with the Director of Human Resources, upon recommendation of the employee's supervisor.

B) A bonus may also be awarded for the temporary assumption of significant additional responsibilities.

## **700.4 PAY PERIODS**

## **700.5 EXEMPT/NON-EXEMPT STATUS**

### **Policy:**

All positions in Central Services will be classified as either exempt or non-exempt from overtime pay in compliance with applicable law.

### **Procedure:**

A) Exempt/non-exempt refers to whether an employee must be paid overtime pay for hours worked in excess of 40 hours in a week. Exempt employees need not be paid overtime, while non-exempt employees must be paid one and one-half times their regular rate of pay for hours worked in excess of 40 in one week.

B) An exempt position is one that is predominantly managerial/supervisory, professional, or administrative in nature. Determination of whether a position is exempt or non-exempt will be based on and in compliance with the provisions of the Fair Labor Standards Act (FLSA) and state law.

## **700.6 OVERTIME COMPENSATION**

### **Policy:**

Central Services pays overtime to non-exempt employees consistent with the FLSA and state law.

### **Procedure:**

A) Only hours actually worked will be used to calculate overtime pay. Paid benefit leave (e.g. holidays, annual leave, or personal leave) will not be considered "hours worked"; therefore, they will not be included in calculating eligibility for overtime.

B) Non-exempt employees will be paid straight time for all hours worked up to forty in one week.

C) Non-exempt employees will be paid time and one-half for hours worked in excess of forty in one week.

D) Overtime worked by non-exempt employees must be authorized in advance by the supervisor. Employees will be paid for unauthorized overtime worked, but will be subject to disciplinary action up to and including termination for failing to obtain authorization.

These employees are usually scheduled to work 9:00 am - 5:00 pm or 8:30 am - 4:30 pm. Division Directors are responsible for determining employee schedules and notifying Human Resources of any schedule changes.
