

## Regional Youth Training

The Division of Youth and Young Adult Ministry is pleased to make youth training now available in a more cost-effective, time-sensitive, and collaborative manner.

Regional youth ministry groups are encouraged to survey their own programming needs and consider sponsoring one (or more) of the five programs available on the right.

Each program provides up to six hours in programming content. The schedule of each program will extend to add ice-breakers, a meal, and closing Mass/ prayer.

Booking of the program must take place no later than 10 weeks in advance of the program. This allows time to schedule the program director as well as offer publicity throughout all of the Archdiocese related to the program.

It is anticipated that there is a 20 person minimum attendance needed for each program with most of the participants coming from the host region. Maximum at the discretion of the Program Leader, but should be no more than 40.

Cost of the program will be \$240. For this fee, the Archdiocese will hire the program director to facilitate the program, handle registration and supplies and materials, and ensure publicity efforts.

The host site / region will be responsible for setting the fee of the program. This should be based on the fee of the program as well as on any hospitality that the host will provide (snacks, meal, etc.) Example: An anticipated participant count of 30 could be charged \$15 for the day (\$8 for the program fee, \$5 for hospitality, and \$2 for profit for the host. It is the host's discretion to request lunch be brown-bagged or that they will provide pizza or a more substantial meal (which might be donated by a parish group at no additional cost to the program.)

Further, the host site / region will be responsible

- for 20 minutes of ice-breakers at beginning of the program;
  - to ensure the recruitment and practice of no less than two, no more than four peer ministers to serve in general presentation. (exception has been asked, presently, for Cornerstone, who will travel with their own peers); and
- To conclude the program with a local parish mass Vigil mass on Saturday afternoon) or lead appropriate prayer service.

To book a regional youth training in your area, please contact Margaret Brogden  
[mbrogden@archbalt.org](mailto:mbrogden@archbalt.org)

The following programs are available to be booked in your region throughout 2013 - 2014:

### CORNERSTONE

### CORNERSTONE

A program for freshmen or sophomores who may provide future leadership in their parishes or Catholic high school. Young people are introduced to the basics of leadership (Communication, Program Planning, Organizational Skills, Working with Small Groups, and Personal Spirituality) and to enable them to understand their call to Christian leadership.

### DIGITAL PASSPORT v 3:16 (NEW)

Participants will become aware of their on-line surroundings, their virtual dossier/footprint in social networks, their responsibility within the context of their own literacy and the moral obligation to promote the best in digital citizenship and digital discipleship.

### EVANGELIUM VITAE (NEW)

Participants will grow in appreciation that as we strive to live life to the fullest, we become more deeply aware of the dignity of all around us and our call to respect, to protect, to love, and to serve life in our relationships and within society.

### LAMP

A *middle-school* program for the development of peer ministers who are equipped to promote small group discussion, listen, and be appropriately responsive to their friends in need.

### MICAH 6:8

A program designed to provide training and reflection for young people dedicated to social justice. Participants will be encouraged to foster a social justice consciousness and make informed decisions about important issues in our community and world.

### WHAT ELSE?

If you have suggestions for additional regional youth training for 2014—2015 and beyond, please contact Margaret Brogden [mbrogden@archbalt.org](mailto:mbrogden@archbalt.org)
