## 104 Permitted Exceptions

None. A parish or school only is permitted to accept a vehicle as a gift if the applicable transfer taxes are paid. If a parish or school is considering accepting a vehicle as a gift, it must consult with the Maryland Department of Motor Vehicles and determine the amount of transfer tax prior to accepting the donated vehicle.

Should a prospective donor wish to donate their vehicle to a Catholic based organization that is a Licensed Maryland Wholesale Dealer, please refer them to Associated Catholic Charities (tel: 410-625-8444).
