

“Them”
A Skit for the Youth Contact Meeting

Margaret as Progressive Voice

THEY sit in front of Jesus in the Monstrance, but scoff at him in his most distressing disguise. . .

If THEY want to see the Body of Christ, they should try looking in a shelter. .

THEY incense everything! We risk asphyxiation at liturgy, and THEY want to go back to Latin, - - they never even learned Latin!

I am trying to figure out THEIR “universal” Church when all you see are wealthy white guys on the altar. . . .

Are THEY aware Vatican II even happened?

THEY are “100% Catholic”. What the *hell* does that mean?

They are so obsessed with teens NOT having sex, they actually talk about it constantly. . .

THEY should be more Catholic. . .

Kristin – as Traditional Voice

I’m surprised to hear one of “THEM” invoking the name of Jesus in casual conversation. . .

How many more prayers will THEY write that have edible items, fabric and playdoh, but fail to use the rites of our church?

Si fractum non sit. . .If it ain't broke. THEY need to appreciate the Universal nature of church. . .

They are so busy trying to grab power as Lay Ministers they don’t recognize the gift and sacrifice our Priests and sisters have made over the years. . .

Are they aware that there are other popes then John 23rd?

They’ll say “Hell”, but not Sin, evil, immorality or modesty. . .

THEY are so obsessed with Teens having sex, they talk about it constantly. . . .

THEY should be more Catholic. . .
